SHOW PROPOSAL GUIDELINES 2011 SEASON

The Play Production Committee has re-opened submission proposals for our 2011 Season. The Dramateurs at the Barn Playhouse typically produces 4 shows per season at our historic facility, but for the past few years our season has now included not only 2 musicals and 2 plays, but a youth production. These shows are typically performed with runs in May, June, August/September and October. The youth production/fundraiser anchors the July slot.

Show proposals for the 2011 Season will be accepted from January 20, 2010 – March 1, 2010. We aim to continue to produce high quality shows, manage costs, expand our audience and membership base, as well as provide educational experiences in the arts. We will give consideration to proposals that enable us to meet these goals. Please note that all positions at the Dramateurs at the Barn are non-paid.

To submit your proposal, you must be over the age of 18. Please fill out the attached show proposal form for each submission and return it as an attached MS Word file to the following email address: novajeanie2@gmail.com by the March 1, 2010 deadline. Any director who has already submitted, need not submit again, but should note the changes made to the form and should be prepared to discuss in more depth their vision for their proposed show. The committee will evaluate submissions and contact individuals for an interview, which will take place on April 17th from 10am-1pm. Each potential director will be scheduled for an appointment time. We plan to choose and present a slate to our Board of Directors shortly after.

Should you have further questions, you may contact Jeanine Brotherston, Chair of the Play Production Committee at novajeanie2@gmail.com.

Thank you!
