

## **MEET THE DIRECTOR STEVE ARCIDIACONO**

**Steve Arcidiacono has been an actor for more than 45 years and a director for more than 40 years - in fact, NICE WORK is his 50th directed production! A member of SAG-AFTRA for 40 years, Steve has been involved in every aspect of the business - theater, TV, film, radio, commercials, voiceovers, you name it! Now retired from the sales profession, Steve has a patient and understanding wife of almost 44 years, 3 adult children, and one adorable grandson.**

**Steve's thoughts on NICE WORK IF YOU CAN GET IT...**

**I saw NICE WORK IF YOU CAN GET IT on Broadway with Matthew Broderick and Kelli O'Hara as the leads in 2012, and I loved it! As I usually do while in a Broadway audience, I asked myself if the show I'm watching can be done professionally at the community level - NICE WORK was a resounding YES answer. How can you miss with a score by the Gershwins and a book that's full of laughs from beginning to end!**

**I hope I do justice to the original and make our audiences fall in love with the show as much as I did. My philosophy has always been to put on a professional show with a community cast, and NICE WORK IF YOU CAN GET IT will be no exception!**
