

SHOW PROPOSALS - 2027 SEASON

The Play Production Committee is now accepting show proposals for our 2027 Season.

The Dramateurs, Inc. typically produces 4 shows plus a Family/Youth Production per season at the historic Barn Playhouse in Jeffersonville, PA. Our season is a mix of musicals and play(s) with performances in May, June, July, August/September and October.

The production in July will be either a Family show for parents and children to experience theatre together on stage or a Youth show. Past youth shows for kids ages 8-17 have been junior productions such as "Seussical," "Frozen," and "Once On This Island." New suggestions may be "Beetlejuice," "Mean Girls," "Sponge Bob," or most Disney musicals.

Our goal is to continue to produce high-quality shows, manage costs, expand our audiences and membership, as well as provide educational experiences in the arts whenever possible. We will consider proposals that enable us to meet these goals.

Since we are seeking to produce an eclectic season of shows, we encourage you to submit more than a single selection and look forward to reviewing your submissions.

Please review the detailed Guidelines below designed to help with developing your proposal(s).

Thank you for your interest in The Dramateurs, Inc. at The Barn Playhouse. We look forward to hearing from you.

- Applicants who have never directed should have experience as an assistant director or stage manager. Please include a resume of your previous production work.

Musical Productions: \$1,500 to \$3,800 (exclusive of royalties)
Plays: \$1,000 to \$2,000 (exclusive of royalties)

Production Team Guidelines

- When preparing your submission, please consider the many skilled production team members needed to mount an organized and successful production. We suggest that you consider your needs and attain a tentative commitment for key production staff roles prior to submitting this form.
- A director who has never worked at the Barn before will be assigned a producer by the Play Production Committee.

Timing of the Selection Process

- The application deadline is March 31, 2026.
- The committee will evaluate submissions and contact individuals for interviews, as necessary, through May 2026.
- The committee intends to make its 2027 Season recommendation to the Board of Directors in July 2026.
